Elements of success

DEVOTION

KNOWHOW

HIGH QUALITY

**VERTICAL
PRODUCTION UNIT**

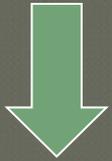

Our farm

- ✓ Privately owned olive mill and area of standardization in the location Perivolia, South Evia .
- ✓ Privately owned organically cultivated olive grove
- ✓ Vertical production unit
- ✓ Excellent quality of olive oil with fruity taste, aromas of lemon and wild spicy herbs with pungent flavor
- ✓ Two-phase method of olive oil production - in temperatures up to 28°C via cold extraction, with no added water, maintaining the nutritious elements intact
- ✓ Harvesting and transferring of crop from the olive grove to the olive mill within 7 hours
- ✓ Immediate transfer through a closed circuit to stainless nitrogen storage tanks
- ✓ Whole operations are certified based on the standards of Food Safety Management ISO-22000:2005 and Quality Control ISO-9001:2015.
- ✓ International design Awards
